

# Grenada

**Legislative agenda:** The House of Representatives and the Senate each held a special sitting on April 17, which focused on COVID-19 related matters.

Selected topics debated in parliamentary sittings or in committees include:

## COVID-19 AGENDA

### ECONOMY

- Economic stimulus package
- Suspension of the Fiscal Responsibility Act

### Oversight:

The Finance Committee of the House of Representatives met on April 14 to discuss the COVID-19 economic stimulus package announced by the government in response to the impact of the pandemic. The Prime Minister and Minister of Finance presented the package to the committee, including issues related to the fiscal expenditure rules.
